**HEARTS AND CONVERSATION:** Residents enjoyed festive cocktails, hors d'oeuvres, and live music at each building's Valentine's Day party, where everyone also received a special Valentine's Day rose. Pictured above, left to right: residents **Vivian Akillian**, **Ilga Richters**, and **Virginia Danehy**. Pictured below, left to right: **Ellie Fitzpatrick**, **Lucille Hanson**, **Emily DeRidder**, and **Stu McCallum**.

**LET THE GOOD TIMES ROLL:** At our Mardi Gras party, residents enjoyed traditional New Orleans-themed treats, including King Cake, and enjoyed music by the band Soft Sounds. Mardi Gras, which is French for “Fat Tuesday,” is also known as Carnival in some countries. It typically culminates with a big celebration the day before Ash Wednesday and is considered a last hurrah and an opportunity for plentiful food, drink, and socializing prior to the religious observances of the Lenten period before Easter. Pictured above, left to right: **Bill Delaney, Georgi Condry, Sandi and Vic Valenti, Edie Orr, and Ken Lundie.**

**COSMETIC IMPROVEMENTS IN 400:** After an extensive search for the right look and functionality, our crews will replace the carpeting in the common areas of the 400 building with vinyl plank flooring this spring. Watch the 918 channel for updates on the installation schedule and other details.
